Hi Jennifer -

Long story.

Leann is no longer contracted with Grace Foundation. We were unable to fund her position.  
Leann may have been pleased with the presentation.

We (the board of directors) for Grace Foundation are very disappointed in the attendance and financial loss from the event.

After reading an article in the Montreal Gazette commenting that Justin has speaking engagements and charges for these services and had charged Grace Foundation \$20,000 we decided that a refund of the funds would help the Foundation tremendously and would help Justin[REDACTED]'s reputation at the same time if there was a press release.

I sent the letter to your organization in hopes that it might be forwarded to the correct person for consideration. It was the only address we had on file. I have also sent a copy of the original letter to Justin[REDACTED]'s public E Mail address.

Hope this helps clarify the issue. Feel free to call me if you want to discuss further [REDACTED]

Thanks!

Sue Buck on behalf of Grace Foundation.

Hi Sue,

Our office received a letter from you regarding Justin [REDACTED]'s speaking engagement for the Grace Foundation last year. We worked with Leann Wright on this event. We are confused by your request for a refund at this time as it is almost a year from the date of the engagement. I spoke with Leann after the fundraiser last June and she was quite pleased with the outcome and Justin [REDACTED]'s presentation. She didn't mention anything about a refund at that time. We're sorry to hear that your event was not as financially successful as hoped for and we sincerely wish the Grace Foundation all the best in the future.

Jennifer
